1987 Archive Dedication

The Class of 87 is proud to dedicate the 1986-87 Archive to Mr. Charles Gerber. Mr. Gerber has been at B.G.H.S. since 1964. In that time, he has not only been an excellent math teacher and a superior football coach, leading the Gaels to three State Football Championships, but above all, a good friend. In 1984, Mr. Gerber took over the position of Director of Development, which in the near future will bring about a new multi-purpose building and cafeteria, along with an Endowment Program which will provide Financial Aid for students. These achievements are just the "tip of the iceberg" when it comes to the faith and dedication that Mr. Gerber has given us . . . The Class of 87!!!

My Dear Graduates of 1987:

"Enter to grow in wisdom --
Depart to serve better thy Country and thy kind."

So instructs a legend chiseled into one of the venerable brick walls of Harvard University. That admonition describes well our aspirations for the students of Bishop Gorman High School, which, we trust, are now being realized in you, the members of the class of 1987.

It is evident to us that you have grown over the past four years -- but one does that automatically and without effort. Our hope is that your growth has not only been in age but that, like our Lord Jesus, you have grown also in wisdom and grace before God and man. The diploma you receive witnesses to our belief that your growth has indeed been so patterned, but its validation will be in what you will do to honor the heritage of learning it represents -- in living wisely and well, accepting with courage and conviction the mantle of leadership that your education at Bishop Gorman has conferred on you.

We are confident that Society and the Church will indeed be well served by you. We will follow your future with interest and affection -- and hope.

Most Reverend Norman F. McFarland
Bishop of Reno-Las Vegas

BISHOP GORMAN HIGH SCHOOL

From the Office of the Principal

Dear Graduates:

Congratulations and best wishes on your graduation from Bishop Gorman High School. I hope that Gorman was a good experience for you and that you leave Gorman well prepared for future education or the work place.

I pray that you leave Gorman as witnesses of Gospel values that you could die for.

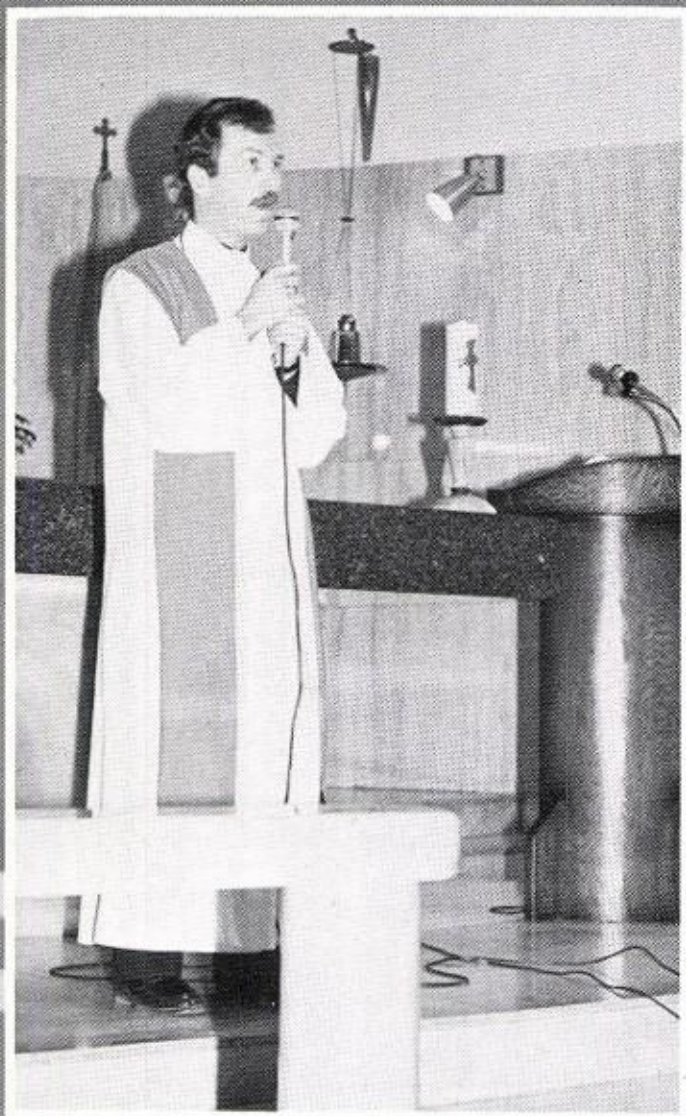

Methinks I will not see many of you again, at least not on this side of the "pearly gates." Know that when we pray for Alumni, all of you are very much on the list.

God's Blessings to You!

The Archive Student Handbook

The Archive Student Handbook represents the Gorman Community at it's best. By combining the students, faculty and alumni with this years "How to ..." theme, the yearbook staff has created a manual second only to the Gorman Community. A community in which academics, sports and pride come together to create a well rounded student. To guide and instruct this student, the Archive 30th anniversary issue is a manual displaying all aspects of student life. This student handbook is one that not only shows the Gorman student participating in the many activities, but also encourages everyone to do the same.

How To Be Proud. . .

Gael Pride Shines Throughout Homecoming Festivities

Homecoming is the traditional time of the year when past graduates of the Gorman Community return home to celebrate with old friends and family. Each year, the students and faculty show Las Vegas "How To" welcome back Alumni. The students, as well as faculty take pride in Homecoming. They truly have a special place in their hearts for these events. Homecoming is what being a Gorman Alumni is all about.

POWDER PUFF '86

The Class of '88 captured their second consecutive Powder Puff title as they easily defeated the Class of '87 and struggled to a two point victory over the Class of '89. The Sophomores had dominated the Freshmen winning 16-8. The title game was a close battle and possession went back and forth before the Sophomores scored to make it 6-0. On the extra-point attempt, the Sophomores were stopped short on what would be the key play of the day. The Juniors would later score to tie the game, and then convert the extra-point. The Juniors went on to hold their lead and defeat the Sophomores by the score of 8-6.

Although only one team could win, all of the girls played to the best of their ability and gave it their all. There was a big turnout for the games, many faculty members as well as students and parents came out to support the respective classes. After the dust had settled and the final whistle had blown, the verdict was out, once again Powder Puff had been a success!!!

Another successful year of sign painting took place here at Bishop Gorman High. Students from all classes came out after the Powder Puff game to show their school spirit. Everyone agreed that this was a great kick off to another dynamic Homecoming.

The first annual Gael-a-thon lip-sync contest was held in the fabulous Bishop Gorman Ballroom (better known as the gym). Seven groups participated in the contest which was part of the Homecoming week celebration. They were: (in order of appearance) "The Soundwave Goodbye" doing the song "One More Minute"; "Come Together" doing "Come Together"; "The Hangers" doing "Just Hang Loose"; "The Surf Babes" doing "Surfin' Safari"; "The Pandoras" doing "In and Out of My Life in a Day"; "The Weekend Edition" doing "Kind of

Girls We Like"; and last but not least, the faculty entry of "The Flashbacks" doing "Hair". The prize for the winner was \$50.00. "The Flashbacks" were chosen by the judges as the winners, but they declined the award so "Weekend Edition" claimed the championship. Ms. Virginia Cunningham, science teacher, and member of "The Flashbacks" had a great time. "It was great getting out the old 60's clothes." Overall the first annual Gael-a-thon was a tremendous success.

The 1986-87 Bishop Gorman Homecoming celebration began at 11 a.m. when "Powder Puff" was held. Later that night, the first annual "Gaelathon" was held. Wednesday, October 22, was designated as "Dress up day". Seniors were asked to dress as tourists and Juniors dressed in their jeans and t-shirts. Sophmores dressed as "hippies" straight from the '60s while freshman were dressed in their sweats. Thursday, October 23, was "Rival day", the students were asked to dress in the colors of their hated rivals the, Valley Vikings. The cam-

pus was filled with a maze of students dressed in red, white, blue. Friday, October 24, was "Orange and Blue" day. The campus was a sea of students decked in orange and blue, showing their school spirit. At 11:30 a.m. class was dismissed and the Homecoming assembly got underway. The spirit of Gorman filled the gym as students, faculty, and Alumni cheered on the football team. At 7:30 p.m., the main attraction of the week began, the Homecoming Game. At the half, the 1986 Homecoming queen and her court were announced. On

Saturday, October 25, Homecoming week continued with the "Alumni Memorial Mass", which was held at 4 p.m. The week culminated with the "Blue Moon" Homecoming dance. Queen Jenni Kolesar and her court reigned over the festivities which were held at Alexis Park. The dance capped of another exciting Homecoming week.

The '86 Homecoming game once again was the centerpiece for the excitement of the week. The Gaels scored first when quarter-back Ken Windham hit Marty Cordova across the middle, Cordova sped 76 yards down the sidelines, virtually untouched, as the Gaels got on top, 6-0, the two point conversion failed. The Gaels scored twice more on field goals of 22 and 26 yards by kicker, Steve Crevoiserat, to lead at the half 12-0. Half time festivities included Homecoming Queen coronation and performances by the Precisionaires and Song Leaders. The second half started out tough, as Valley's defense clamped down. Then, their offense got on track, a couple of complete Blockovich passes and a long run put Valley in business. They later scored on a short run and cut Gorman's edge to 12-7. After Valley's score, the game seesawed back and forth until the final quarter when Valley once again threatened to score. But a third Gael interception nullified Valley's drive and Gorman took over. That's when the Windham-Cordova magic came into play. Windham again hit Cordova, this time for 60 yards and another score as Gorman took control 18-7. Gorman then made a two point conversion. Final score: Gaels 20, Vikings 7. Another Gorman Homecoming victory!!!

Four Mercedes Benz drove this year's Queen onto the field. In the first car was Chelly Bender, the second Kerri Bishop and Jeana Curtis, in the third car Christina Fortner and Jenni Kolesar and in the final car rode Kari Weisner and Paige Woodward. Blue Moon

Saturday, October 25, marked the last day of Homecoming week. Two events were scheduled for this last day; they were the Alumni Mass held at 4 p.m. and the Homecoming dance held at 8 p.m..

This year's Homecoming Mass was an "uplifting" experience. The annual celebration held in the Gym was a re-uniting of old friends and family in the Gorman community. The mass, held in memory of the past alumni, was said by Father Walter Nowak head of Alumni Affairs. The Gym, beautifully decorated, barely

2 ▼

resembled it's original form. Later that evening, the "Blue Moon" Homecoming Dance was held at Alexis Park. The room was decorated in colors of midnight blue and silver, with arches of ballons over the dance floor and the entrance of the hall. The turn out for the dance was stupendous.

"Homecoming 1986" was exciting celebration. The entire Gorman Community did it's share to make it a magnificent success.

The band traveled to Reno, Nevada with the football team to play in the State Championship Game.

The group also played at every home Basketball game, as well as performing splendidly at the 1986 Tri-Music Christmas Concert. In the Spring the band performed with the Drama Department in the production of *"A Thurbur Carnival."*

Harmony Express

The 1986-87 *Harmony Express* was a very enthusiastic group of young people. They worked very hard preparing for their debut performance at the 1986 Tri-music Christmas Concert. With spring came a very busy performance schedule. The group sang and danced for several of the Catholic elementary schools in the area and lent their talents to several local charities. The year ended with a performance at the Clark County School Districts Show Choir Festival.

Chorus

The Mixed Chorus makes up one third of the Tri-music Department. Their schedule included a well received performance at *Alexis Park* Hotel singing Christmas Carols. The Chorus also added quite a bit of holiday spirit to the annual Tri-music Christmas concert. In the spring, the group sang at the Clark County School District solo and ensemble festival at Artemus Ham Hall.

Girls and Boys States is an annual event sponsored by the American Legion Auxiliary. During a week of exploring the inner workings of state government, these students took part in mock elections, talent night, and also listened to a variety of guest speakers. The week came to a climax on the final day as the students acted out their roles in a mock legislative session which included the introduction of bills proposed during the week. Each and every student learned a great deal about the inner workings of our government.

The National Honor Society is a prestigious organization whose members display the outstanding qualities of leadership, character, scholarship, and service. A minimum cumulative GPA of 3.5 as well as adequate ratings by each student's teachers are among the requirements for membership. This year the Bishop Gorman High School chapter of the National Honor Society was proud to welcome sixty new members during the Induction Ceremony in November. Like the current members, these were expected to contribute at least twenty hours of volunteer service within the school or Las Vegas community, and to uphold the high standards of the Society. Among the activities in which the school received enthusiastic assistance by NHS members were Parents' Night, Career Day, and the Knight of the Gael.

Academic Exursions

Each and every year BGHS students excel above every school in their academic achievements. Most of this can be attributed to the constant urge to obtain knowledge from any source available. In the past year a group of students traveled about gaining knowledge along the way. Whether it be in the U.S.S.R. or the United States of America, the goal was still the same, mental stimulazation. We applaud these students and hope that this example will be followed for years to come.

How To Acknowledge . . .

Special Events At BGHS

Bishop Gorman High School is unique in its recognition of students, and its boosters. Events such as Knight of the Gael, Spring Fling, Sports Banquets and the Magazine Drive help to raise money, while recognizing the support of groups and individuals in the Gorman community.

Shakespearean Festival

Bishop Gorman students were treated to a special assembly this year. The Shakespearean ensemble from Southern Utah State College performed for all of Junior and Senior English classes. During the assembly, the performers modeled clothes from the Middle Ages as the Master of Ceremonies entranced the crowd

with the little known facts about the materials that were used, in what time period they were used, and from what country they originated.

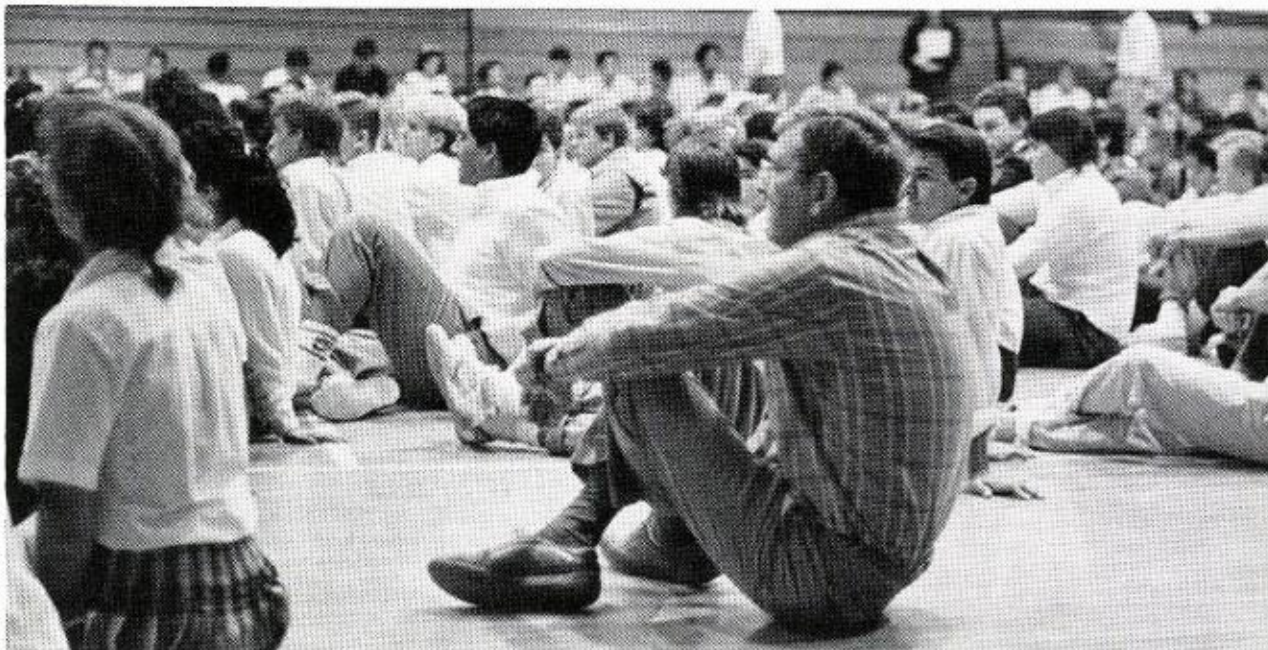

Many thanks were given to Mr. Dane Madsen and Mr. Joseph Halpin for making it possible to familiarize ourself with such a facinating culture.

Channel eight sponsored an anti-drug campaign held in the Bishop Gorman Gym. Paul Dawkins along with a panel of drug experts talked about the evils many illegal substances cause in ones everyday life. A 45 minute crack presentation, a CBS News docudrama, was shown to the 200 students invited to join the presentation. After the docudrama, students were invited to ask the panel questions and offer their opinions on the subject matter. The campaign was held to try to curb the drug related problems high school students often incur.

Spring Fling

This year BGHS went back to the old tradition of having Spring Fling honor the entire Gorman community. The event was held as a "kick-off" to the construction of the new building. Faculty members, Alumni, students, parents and clergy gathered in April to pay tribute to all who have contributed to Gorman throughout the year.

How To Worship . . .

Christian Development Guides Us

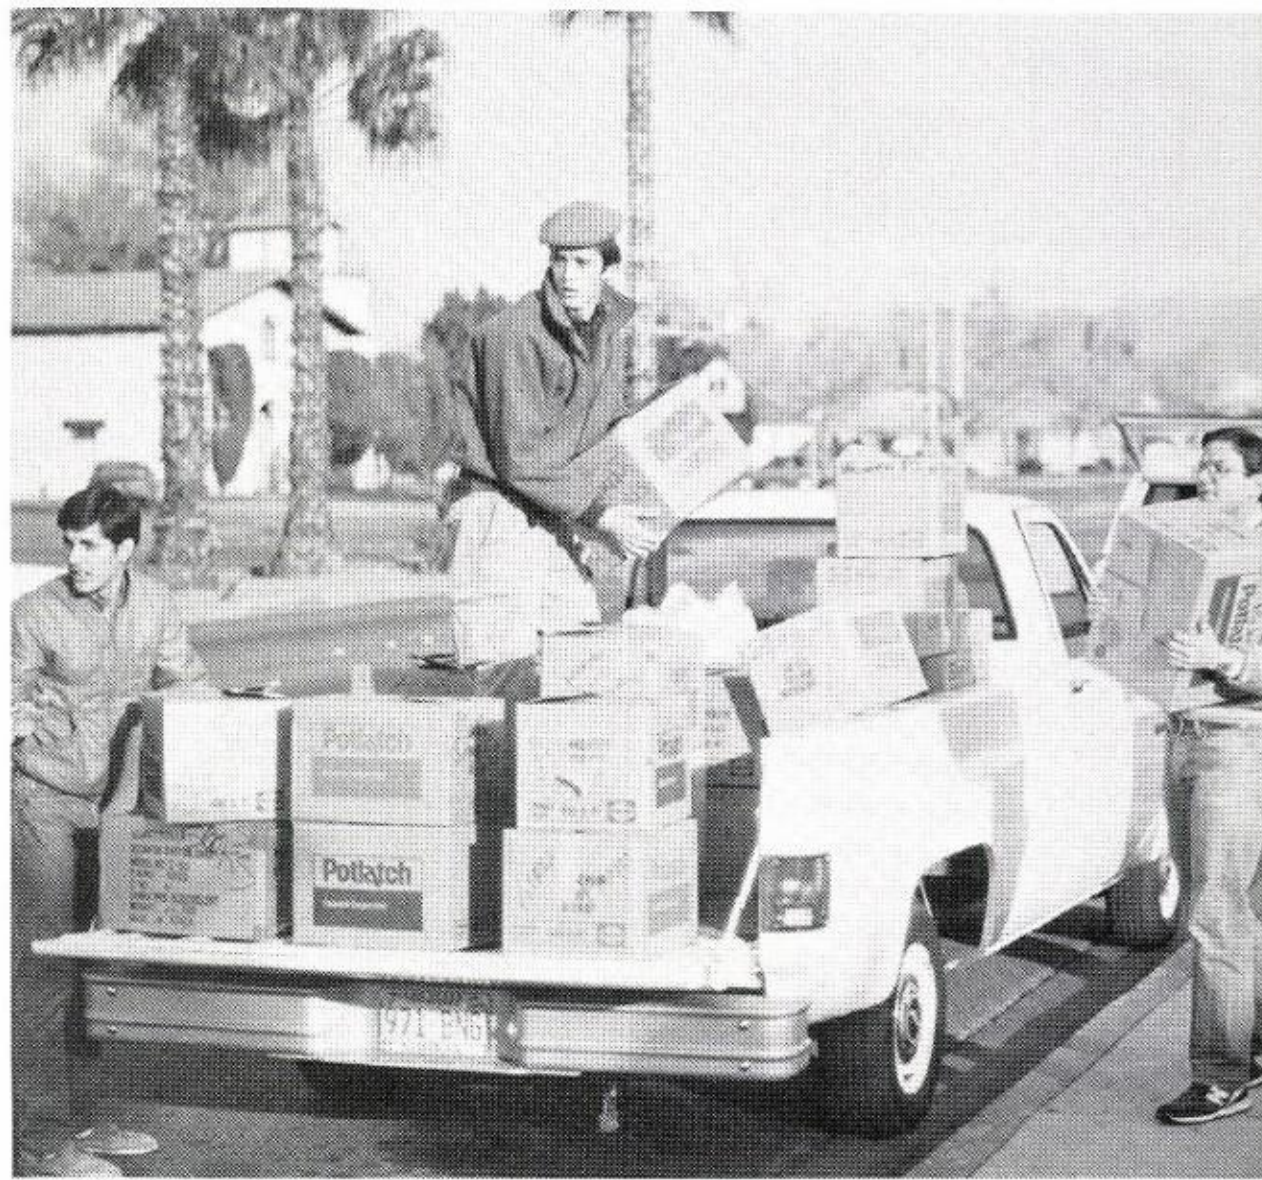

An important aspect of the Gorman community is the students' participation in Christian Development. The Gorman youth are encouraged and even required to take part in their own Christian enhancement. Masses, daily prayer, and charity events are only a few of the activities the Gorman students and faculty participate in. The early morning services and religious requirements also give students a balance religious understanding.

The Pride Is Back At BGHS

Although Gorman is known for its academics it is also quite well known for its Athletic Programs. Year in and year out the Gorman Community shows its support as well as its appreciation of the fine athletes at B.G.H.S. The typical Gorman athlete exemplifies the true student athlete, for at Gorman Academics and Athletes go hand in hand.

The Tennis team at Bishop Gorman is synonymous with one thing: WINNING. The team captured its fourth consecutive State Tennis Title. Led by four year lettermen Cedric Crear, Curt Magelby, Perry Rogers and Khalid Wharton-Ali, the team cruised through the regular season and easily won the State title in Reno. These four Seniors completed their Varsity careers without a defeat. Many individual honors were achieved by the team, among them were: State Doubles Title for Cedric Crear and Matt Rivera, and Khalid Wharton-Ali, although suffering an early round loss in the Zone tournament, won all four of his matches in the State competition.

SCOREBOARD RECORD 10-2

Champions-Win Or Lose

"This may be the finest group of young men I've ever coached," Coach Chuck Gerber on this year's Southern Zone Champions the 10-2 Bishop Gorman Gaels. The Gaels were out to prove something. A dismal 5-4 season in 1985 led to the team's first non-playoff year in seven years. The term used to describe this year's team was "The Pride is Back." Little did anybody know that this 1986 squad was destined for greatness.

The Gaels were underdogs when the season started. They were expected to challenge Chaparral for the division title, but many assumed they would fall short. The season started off at the Silver Bowl against Las Vegas High. Quarterback Marty Cordova and Running Backs Bo Free and Bert Ezor led the Gaels to a 12-7 victory.

Gorman then traveled to Rancho to attack the Powerful Rams. The team put forth a valiant effort, but they couldn't stop the Rancho ground game. Late in the game, Coach Chuck Gerber inserted Sophomore Ken Windham at Quarterback, and moved Senior Marty Cordova to Wide Receiver; the rest as they say, is History. The Gaels went on to record nine consecutive wins including a 24-23 overtime victory vs. Chaparral to clinch the Sunset Division Title. Two overtime thrillers in the playoffs, placed Gorman in the State Championship Game against two-time defending State Champions, the Wooster Colts.

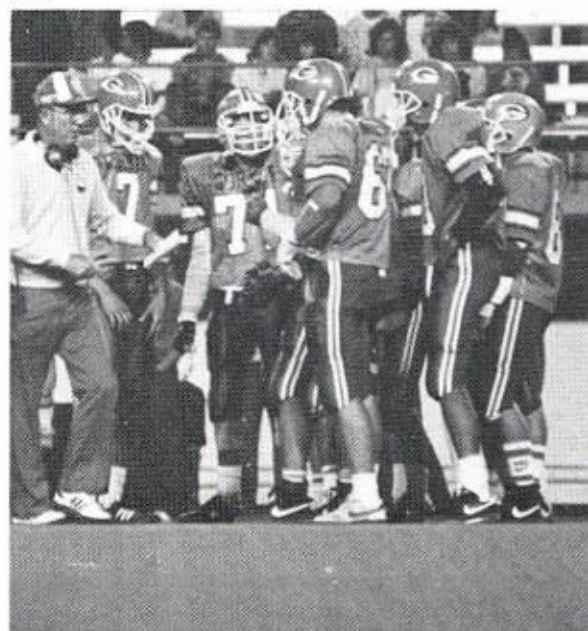

The Colts had shut out their opponents from the South in the previous two Championship games. Not many

people gave the Gaels a chance. In fact, many people thought that Gorman would be shut out. The Gaels showed that with determination, almost anything can happen. The Gaels held the larger Colts to 3 points in the first half. Gorman took its first lead with 2:35 left in the game at 6-3. The Gaels seemed destined for victory. The Colts had another idea. With 0:48 left, the Colts burst their bubble, taking the lead 10-6. Gorman had one more chance, but a fumble at the 41 yard line, put an end to their dream.

Although the Gaels lost the Championship, they proved, "The Pride is Back."

GORMAN STUDENTS SAVE LIVES

By Erin Bilbray

Gorman football players left more than an athletic impression on Reno.

After a party on the night of November 21, 1986, on their way back to their hotel, varsity players, **Marty Cordova**, **Pat Rajskey** and **Robbie Kolesar** watched in horror as a raging fire broke out at a nearby three story house.

"We didn't even think about the football game; we just wanted to help the people trapped inside," said junior Robbie Kolesar.

All three players yelled at their cab driver to pull over as they realized that neither the police nor the fire department had arrived at the scene. "Marty and Pat tried to hoist me through the second story window, but half way through, Pat realized I would be engulfed in flames, so they pulled me back out," said Robbie.

At the same time, a neighbor ran over and threw a blanket at the football players' feet. "We picked up the blanket yelling for those people trapped inside to jump into it," Robbie stated.

Once the football players had rescued everyone, and the fire department arrived, the trio left the scene of the fire without much notice. Pat had realized it was 11:55 P.M.— five minutes before curfew, and that Coach Chuck Gerber would be upset if the three were out past 12:00 midnight.

As Robbie put it "we just didn't have time for thank-you's."

Junior Varsity is the last stop for players before they reach the varsity level. This step is where players refine their skills from the B Team, and make final preparations in becoming a varsity player. Both Sophomores and Freshmen compete on the team and wait for their chance to move up. This years team played solidly as a unit and turned in some solid performances. Although the team finished 4-5, they showed a lot of heart and tried on every play. The team has always been a positive influence on the football program as a whole here at Gorman. Some of this years Junior Varsity players will go on to be the stars of the future, and we wish them all well.

VOLLEYBALL

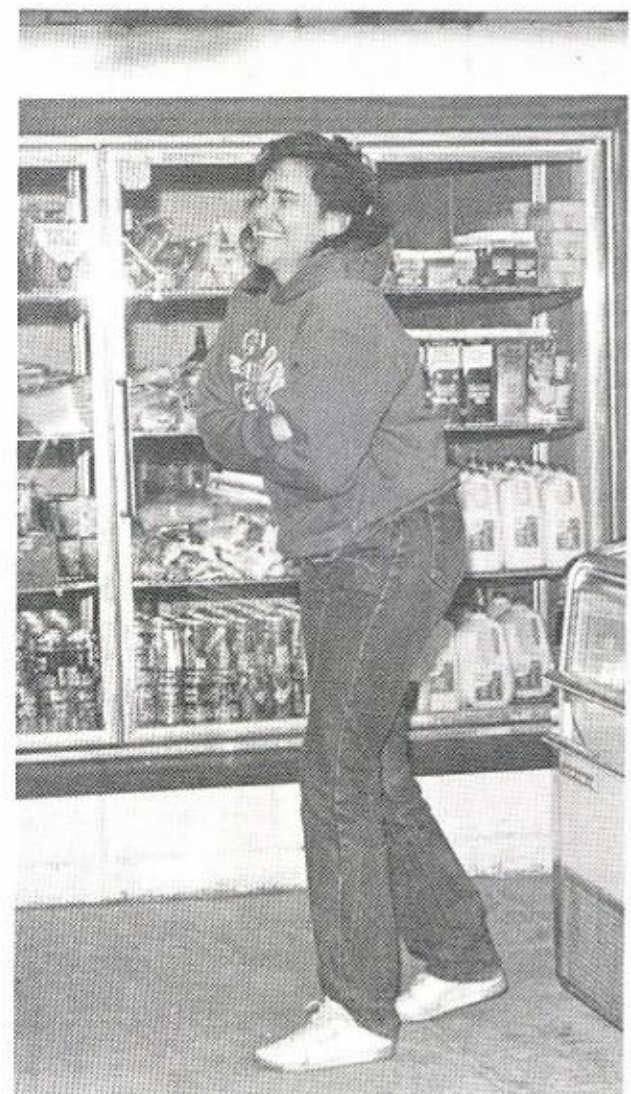

Spikers Go To State!

The 1986-87 girls volleyball team set new standards for future girls sports programs. After finishing strongly in the regular season, the team was ready for the zone and then possibly the state tournament. After winning their first two zone games and securing placement in the state tournament, the girls had to play for zone ranking. Heading for Reno ranked third in the south, the Lady Gaels were strong favorites to win it all. Unfortunately the girls fell a little

short losing a crucial game against their division rivals, the Rancho Rams who eventually won the tournament. Congratulations to all the girls for a great effort.

The 1986 Bishop Gorman Cross Country team was lead by head coach Pat Inch. Senior Steve Duncan returned to add depth to an already stable running squad. Anthony Marchese turned in another fine year as he qualified for State. Steve Duncan fell just short of qualifying for state, but overall had a fine season.

The Womens' team consisted of Kathy Nelson, Christina Dermody and Stephanie Stark. Each girl had a fine season as each qualified for the State Tournament which was held in Indian Springs.

Freshman, Stephanie Stark, qualified for the National Junior Olympics which will be held at the University of California at Irvine.

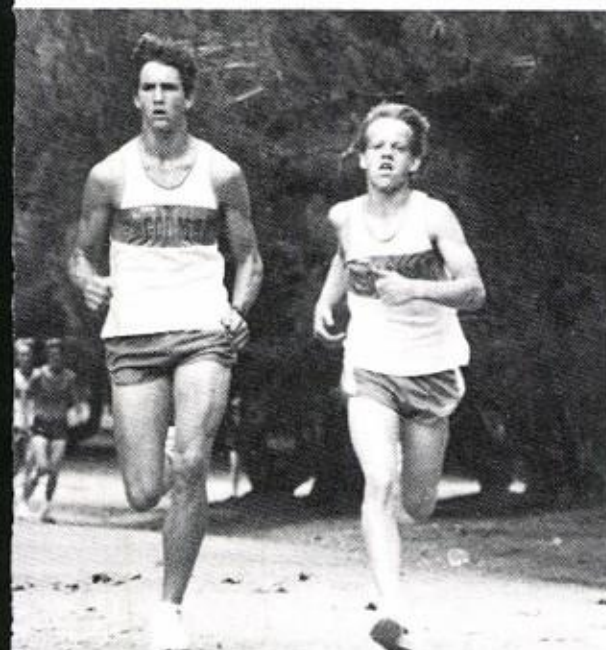

With all but one team member returning, the future looks bright for the B.G.H.S. Cross Country Team.

J.V. Basketball

The 1986-87 city championship trophy belongs to our own Bishop Gorman High School Junior Varsity Team. Head coach Henry Girardi's team raced through their J.V. schedule with only one loss. Led by team scoring leader Pat Byrnes, at an average of 18.8 points per game, the team was almost unbeatable. Next years Varsity team should be strong as many of the "cagers" advance up to the varsity level. So the tradition of great basketball teams at B.G.H.S. lives on.

Girl's Basketball

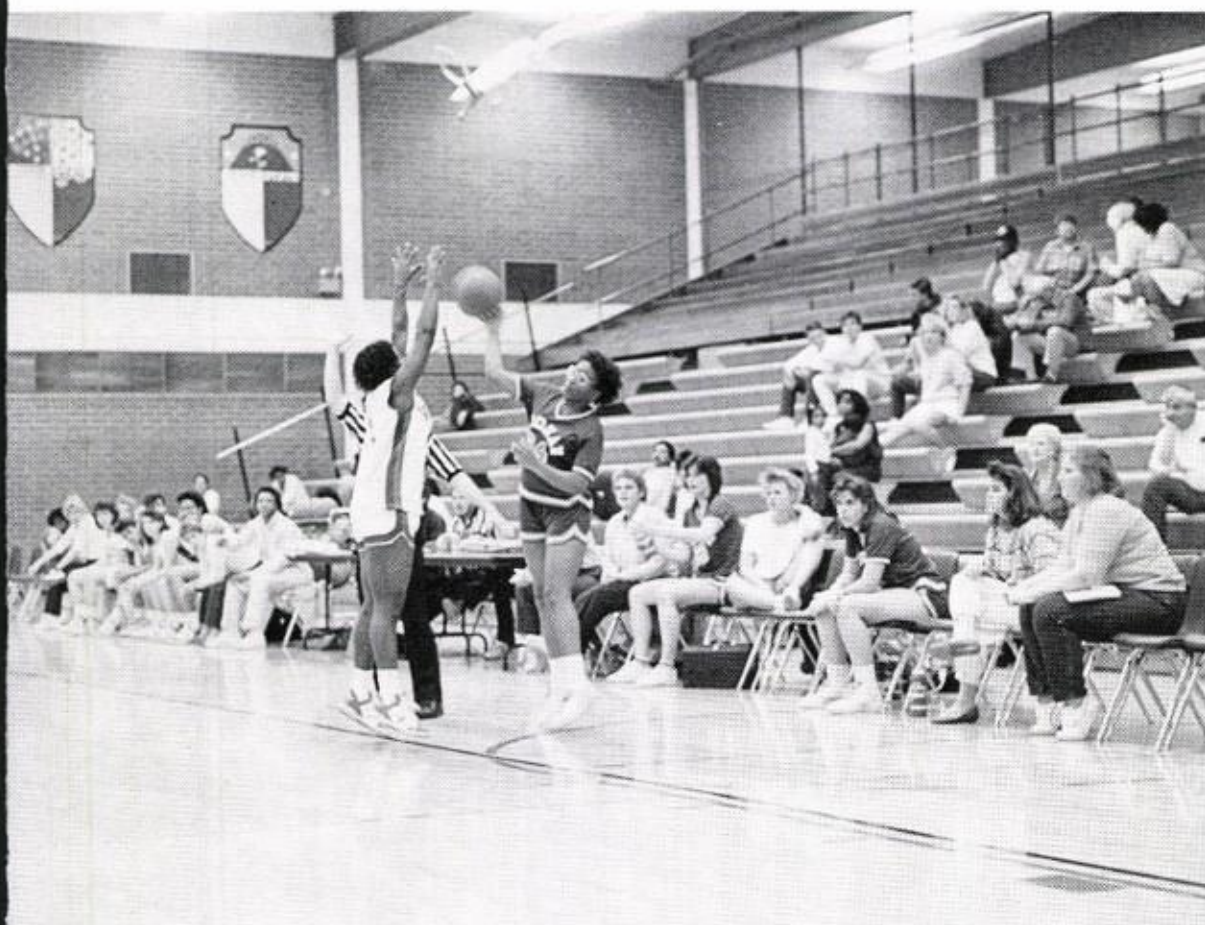

1▲

The Women's Basketball program at Gorman has endured some rough times lately but the girls involved have hung tough. The teams have steadily improved each year producing it's own stars. This years stars include Seniors Madaline Fischer, Shannon Engle, Michelle Likely and Stephannie Stallworth led the team inspirationally. Michelle Likely has emerged as a strong inside force while Madaline Fischer has contributed with good performances from the point guard position. Senior Toni Woodson has guided the team superbly during his first year as a coach. The team has jelled together throughout the year and despite the loss of the four Seniors the underclassmen should take their place in ever improving Women's Basketball program.

The team is led by Seniors Titi Bengochea, Tim Lovell, Matt Foley, Bob Poling, Bill War, Steve Crevoiserat, Randy Netski, and Brian Flanagan. Most of the players are three year lettermen. The team is coached by Barry Forget. Gorman soccer has been highly regarded for the past couple of years with many fine players coming out of the system. This year's Seniors should continue the fine tradition of Gael soccer.

Varsity Baseball

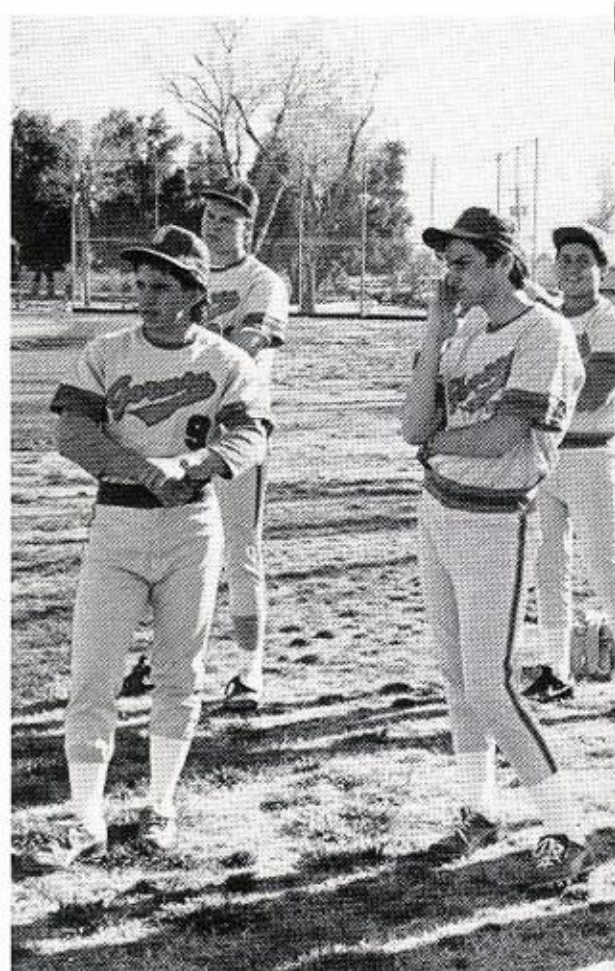

A new tradition has begun at Bishop Gorman. Baseball has long been played here at school but until recently the team has been through some rough times. But last year the team rose to the occasion as they made the Southern Zone AAA playoffs. Although they didn't win they showed a lot of heart while playing in the tournament. This year's team exceeded their expectations. Another fine season was turned in by the team. Coaches Pisani and Stanfill were very pleased with their performance. Yes indeed a new tradition has started at Bishop Gorman. The winning tradition of Baseball.

How To Get Involved

Student Life Beyond Academics

Past the homework and the tests, the students participate in clubs and organizations ranging from Varsity Club to the Racketball Club. Students have the chance to experience trips to Washington, California, and Utah to learn more about the government, colleges, and skiing. The Archive and the Lance bestow Gorman's capability in the media, while the arts are presented by the Drama Club. The student life of the community gives strength to Gorman. Like our academics and our sports, the Gorman Student life is the best.

Russian Trip

Last summer five Bishop Gorman students visited the Soviet Union. Kim Wasserbeiger, Meryl Cherry, John Ameriks, Jessie McCollough, and Anastasia Warpinski, along with new Gorman student Ramona Schatts, joined students from throughout the United States on this "adventure of a lifetime."

After a brief visit to Finland, the group boarded a Russian train bound for Leningrad. They were met by Tatania, their Russian guide. Tatania and her daughter, Dascha, accompanied them throughout Leningrad's imposing, beautiful buildings. From there they journeyed to Pskov, a small medieval city, to Smolensk, a tiny city on the Dneiper River, and finally to Moscow. The group attended the Goodwill Games at the invitation of both the Soviet Union and United States. In addition to extensive sightseeing, the students met many Russian people, had a run-in with the K.G.B. and gained a broad perspective on Soviet life.

Varsity Quiz

Varsity Quiz is the only interscholastic academic 'sport' in Clark County, let alone Nevada. It is a club activity in which students compete in academic competition with some of the brightest and talented students in Las Vegas. The Varsity Quiz teams play six regular season games each year, and the top four teams from Clark County schools compete for top honors. Sponsored by the local Kiwanis Club, Varsity Quiz games are televised on Channel 10, our local PBS station.

Gorman's team has been coached by Mr. Robb Leigh for the last five years. The team's record this year was four wins and two losses, and came in third in the county overall. The mainstays of the team this year were Senior and co-captains Eddie Ayoob and Joel 'the Prince of Luzon' Gonzalez. Other anchorpersons for the team were Rob Pietranton, Len Tanchala, and Joe Parente. The team looks forward to another successful season next year, and as Coach Leigh puts it "You don't have to be an areodite intellectual with endogenous abilities to be proficient, but it does help if you're quick!" Pictured Top left to right: Joe Gerber, Nick Bean, Rosalee Gonzales, Mr. Robb Leigh, Leonard Tanchala, Marco Barbieri. Seated left to right: Rob Pietranton, Joel Gonzalez, Ed Ayoob, Joe Parente.

Ski Club

By far the largest organization is the Ski Club. The Ski Club is a rag-tag group of adventurers looking for excitement. Once a month they climb inside a bus and take the long, four hour trip to the snow capped mountains of Utah for the enjoyment of skiing. Under the supervision of Mrs. Sherry O'Brien the Ski Club has a fun, safe time.

P e p C l u b

Pep Club is a group of enthusiastic students who try in many ways to add to the school spirit at BGHS.

Besides supporting athletic events we try to recognize high achievement and superior performance in any part of school life. We try to identify and encourage each individual's effort in representing our school.

College Excursion

After completing another school year, many Gorman Juniors and Sophomores look forward to the annual College Excursion. A bus load of students head for sunny California for sun, fun and yes college tours. Averaging three universities a day, the students are given an excellent chance to get an inside look at a variety of schools and a chance to talk with admission personal. The students are also given ample time to visit California's tourist attractions.

1) The beautiful campus of Occidental University is caught by the lens of Craig Hall's camera. 2) A street that will hopefully be travelled by all of Gorman's graduates. 3) Mike takes time to phone home and say hi to Mom. 4) Bridgette Blue shows off her new Howard t-shirt. 5) Pat "The Russian" Rajshy enjoys the California sun.

The Lance newspaper is an important tradition that has been maintained through the years at Bishop Gorman High School. Under the instruction of moderator Joanne Padderud the Lance staff exhibits excellent journalistic writing and varied layouts. One of the highlights for the Lance this year was attending "Press Day at U.N.L.V., where Lance reporters learned many different aspects of the journalism field.

SADD

S.A.D.D.- Students Against Drunk Driving was formed last year as an attempt to curb drunk driving deaths among students. The students hold school parties promoting sobriety and have assemblies to help students learn about the danger of drinking and driving. The student interest in S.A.D.D. has grown and hopefully student drunk driving deaths will shrink as a result of it.

Pictured top to bottom are Ms. Patricia Vick, Ed Ayoob, Lulu Sanchez, Jodie Lenzie and Tess Mccullough.

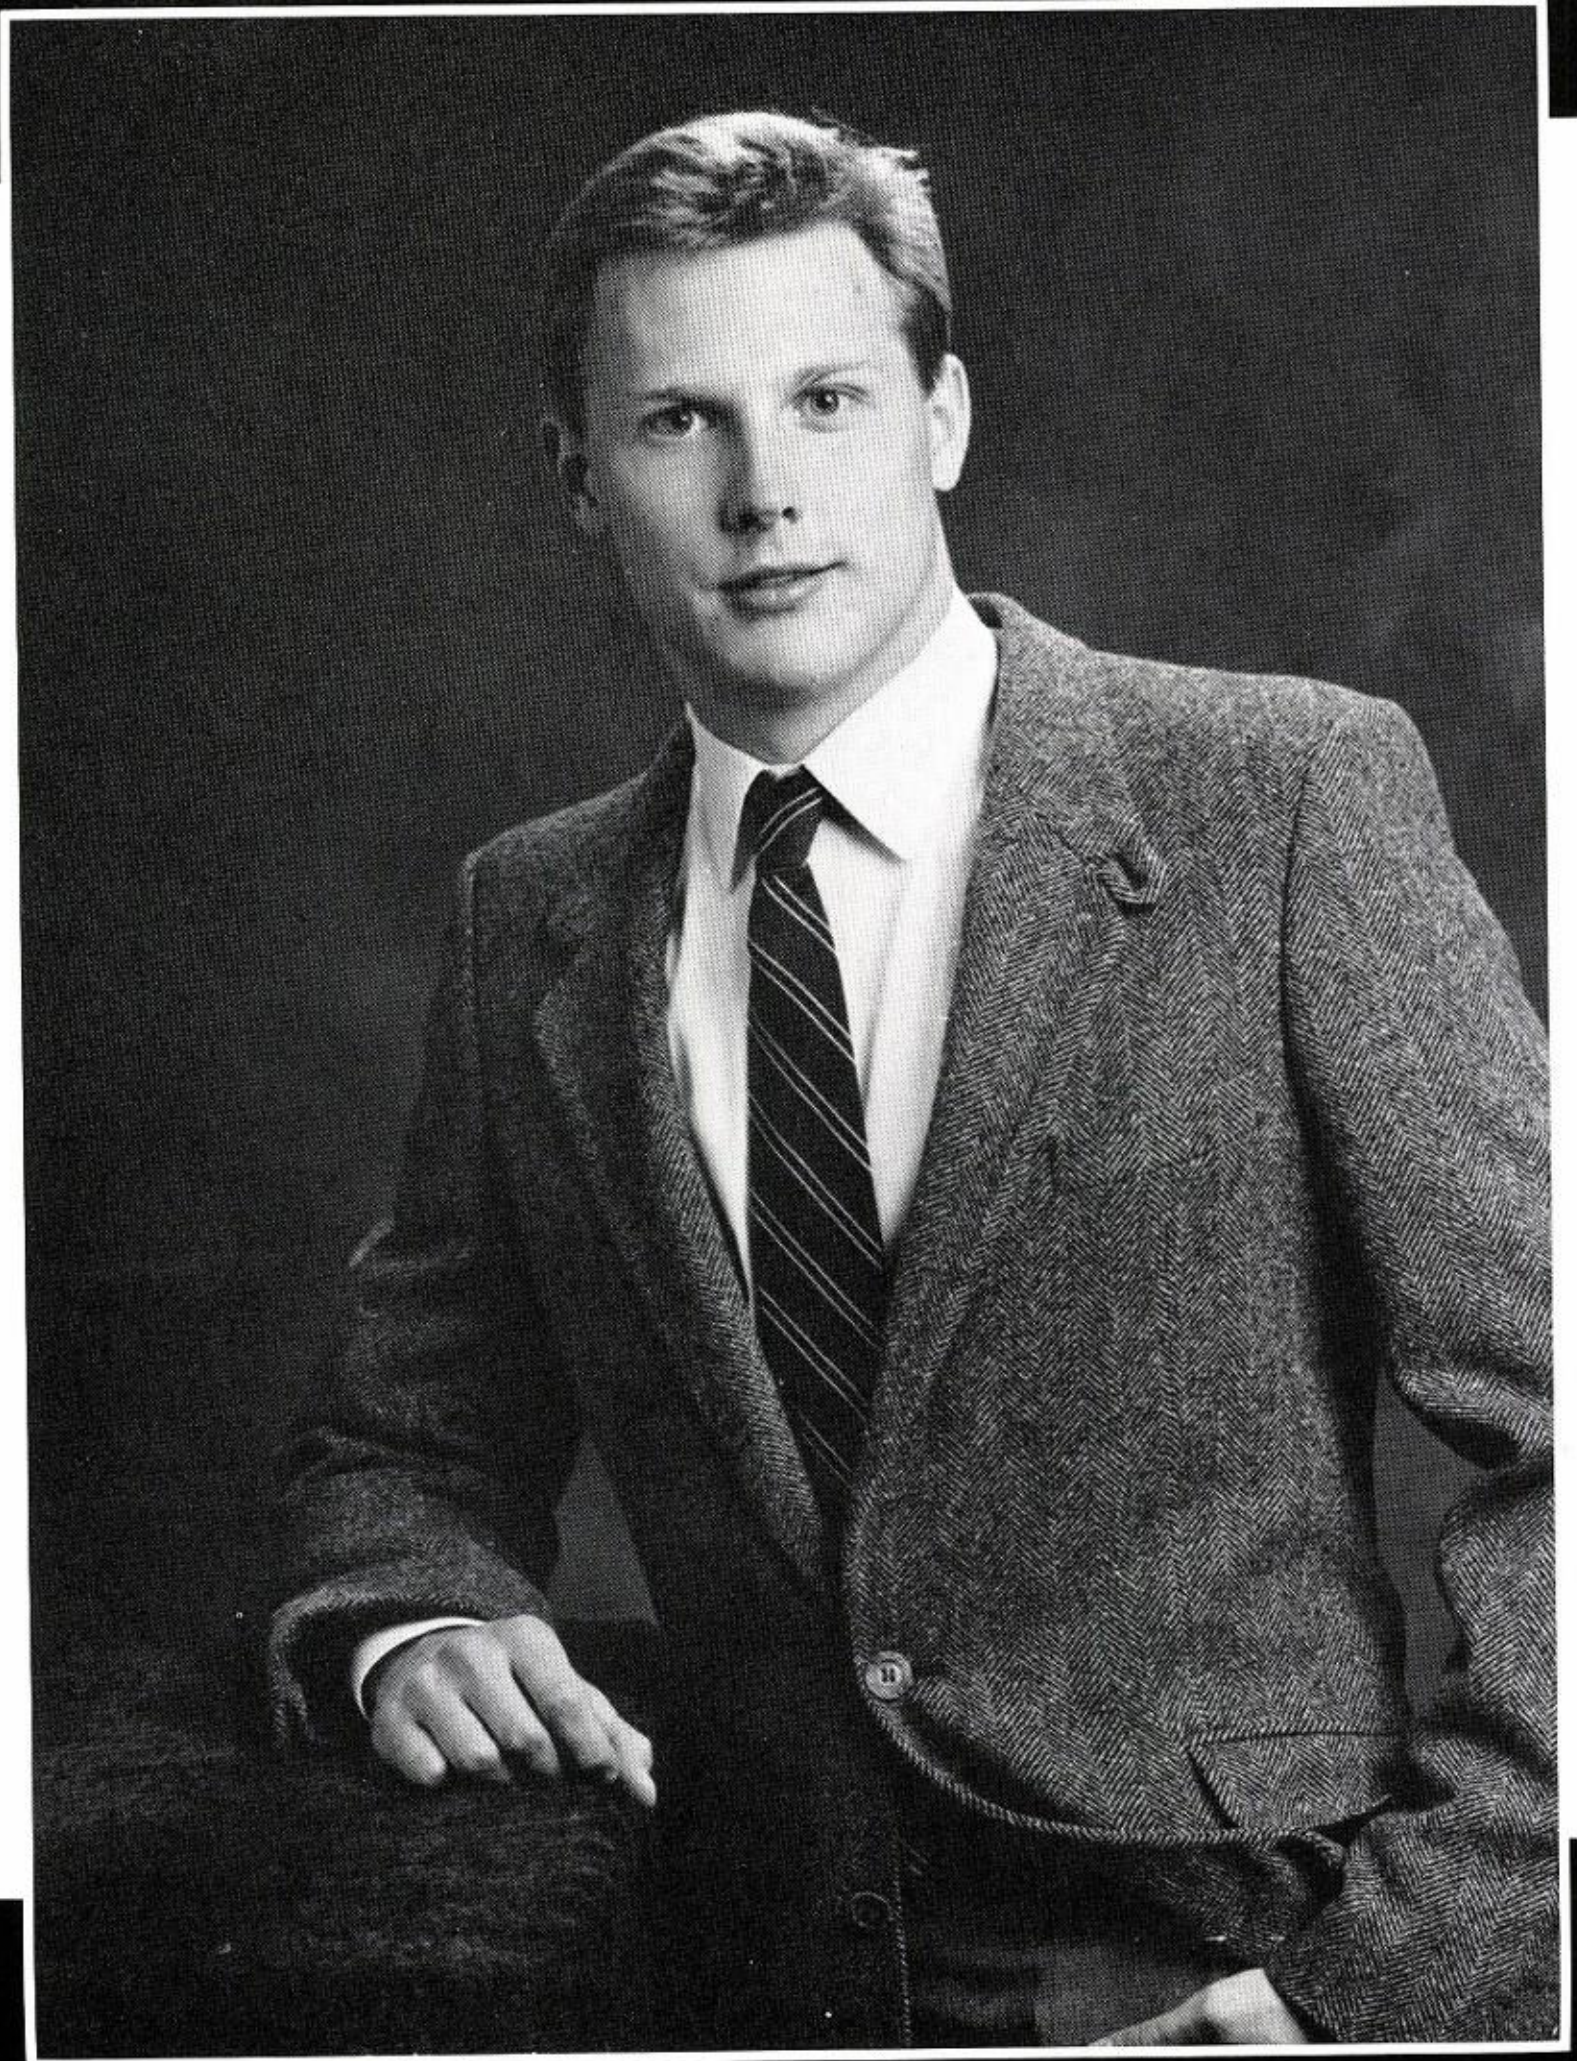

International Club

The International Club consists of Gorman students interested in learning more about foreign cultures. The group is moderated by French teacher Ms. Martiny. The Archive Staff is a small but dedicated group of individuals who's main goal is to give an optimistic yet accurate account of the school year. Limited by a small budget and staff the group does its best to involve the entire student body accurately and fairly. Led by veteran Lance Shoen, Josten's representative and veteran editors Ted Dunn, Craig Hall, and Dan DiFranco the staff successfully completed another year. New comers Kim Avants, Kevin Mahan, Kim Vruble and yes, Roxanne Shoen Gorman's newest advisor supplied the work source on this years staff. This years Archive Staff congratulates all Seniors and hopes everyone enjoys "How To" the 1987 Gorman year-book.

How To Be A Freshmen

A New Way Of Life

Being a Freshman is a hard task. That's why we only have to do time for nine months. When you're a Freshman you put up with alot of wisecracks and sometimes not so practical jokes. But it's not all fun and games. It is also alot of work. Trying to fit in and not being late to class everyday. But we get through this with one comforting thought: Next year we'll be SOPHOMORES!

How To Be A Sophomore

For The Wise And The Foolish

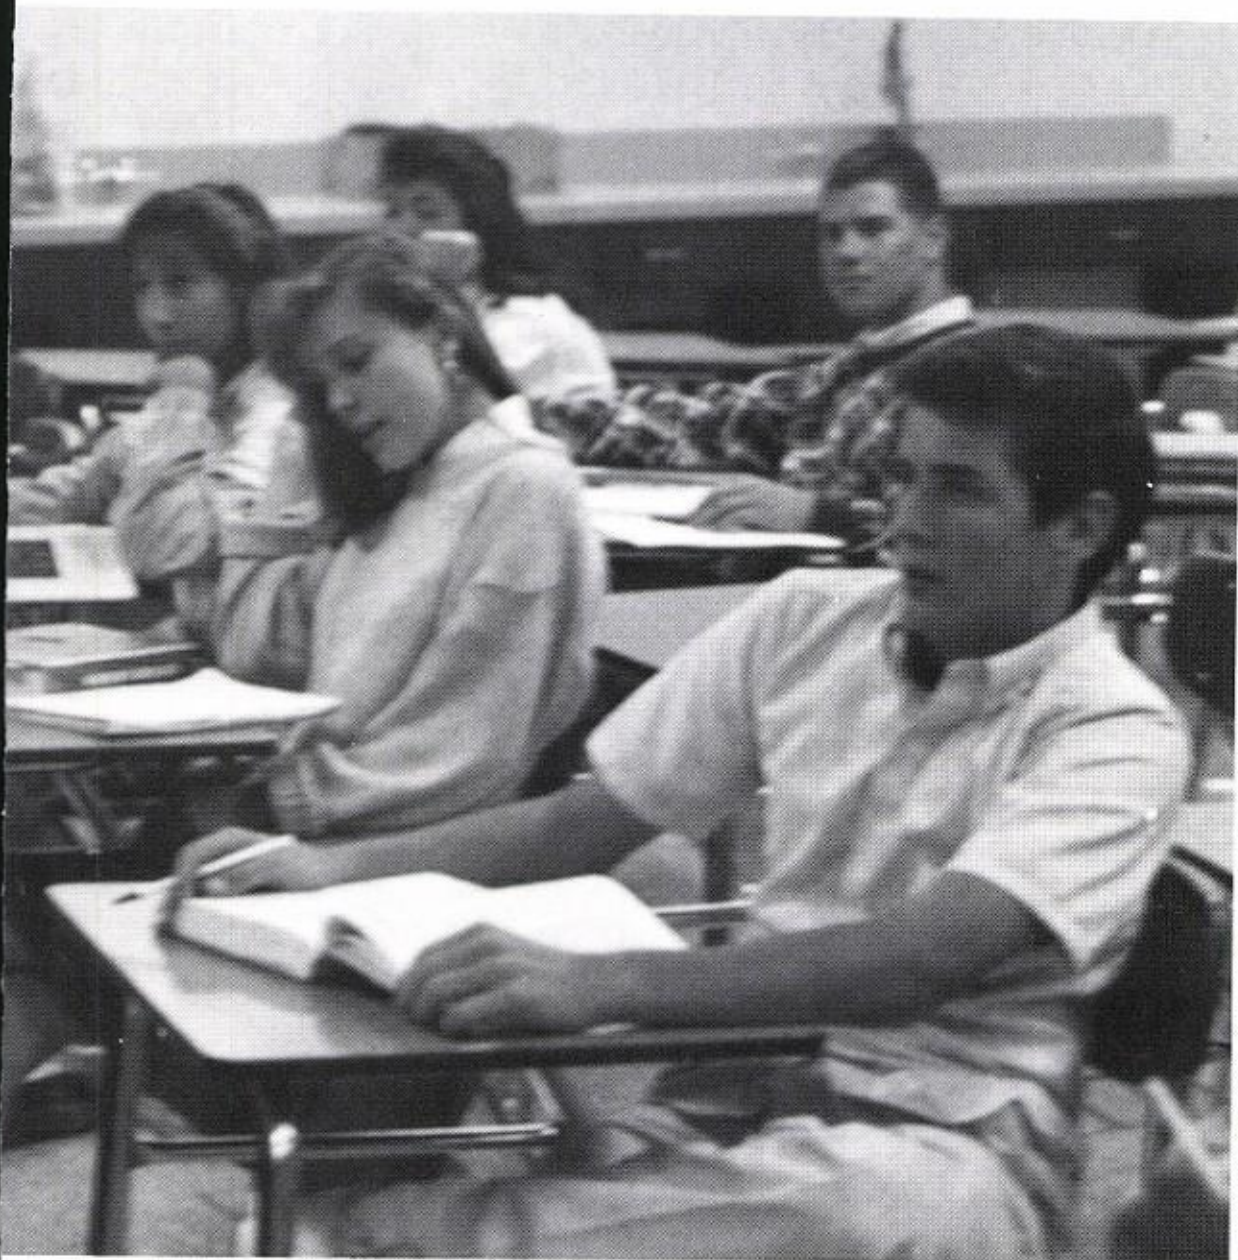

The dictionary defines "sophomore" as a second year student. This is true. It also defines a sophomore as "immature; shallow, bombastic and superficial," and we know that is not the definition of a Bishop Gorman High School Sophomore. Sophomores at Bishop Gorman are "proud; hard working and spirited." This is reflected by their participation at assemblies, their dedication to academics and their success during the homecoming week competitions. The dictionary had better look closer at the class of 1989 here at Gorman because we're a class to be reckoned with.

How To Be A Junior . . .

One Step Closer

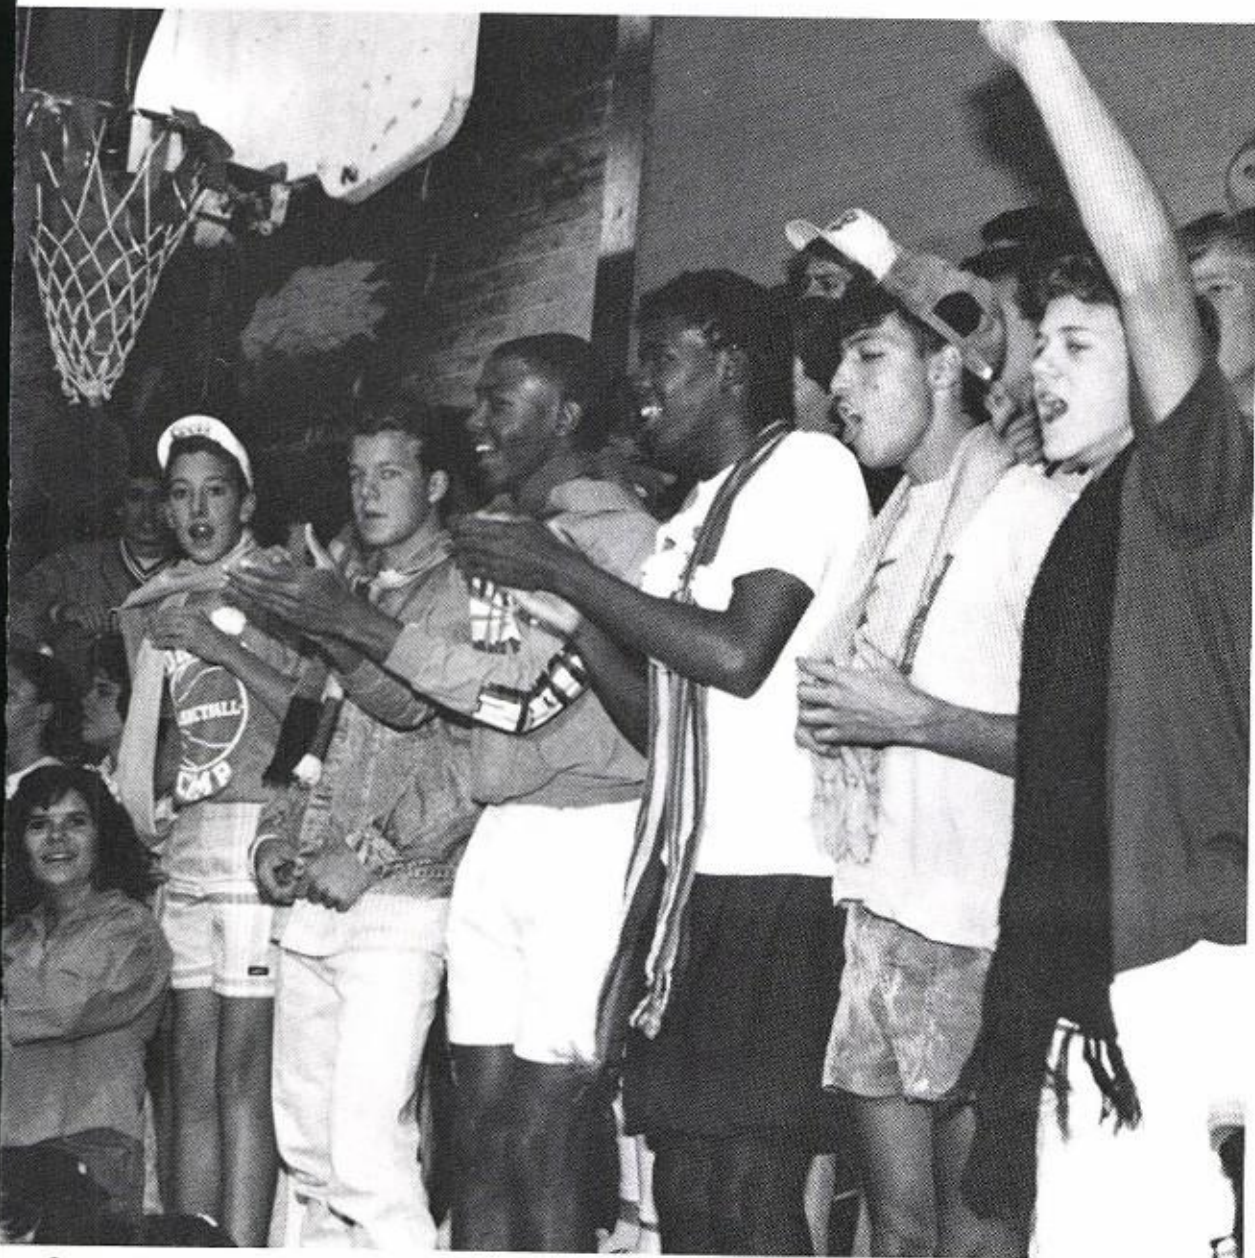

Junior year marks the last year of being "underclassmen". Each student gets one step closer to being a Senior. The Junior year is very important. It is the year when they receive the first signs of being a leader. But it is not complete. The final step is a long and hard one to climb. The Juniors learn during the year about their many responsibilities. They assume their leadership roles with great pride and prepare themselves for that final step, the final step to gaining "class".

The 'Class of 87' has grown from frightened Freshman to successful Seniors. As one looks back on his four years at Gorman, he will remember the laughter and the tears the struggles and the tri-

umphs. He will also learn how special Gorman really is to his life. The 'Class of 87' is ending a chapter of its life, but it is also crossing over to a destination unknown.

Archive Guide To Fundraising

S

Each year one of the many goals of the Archive Staff is to raise money. Besides Book Sales, the only other form of income for a "Yearbooker" is through the selling of advertisements. From Business to the ever popular "Vanity Ads", these ads furnish the revenue needed to add extra pages and color to the Archive. We would like to thank all who have contributed to our "Ads Section". It was because of these people that we were able to produce such a fine Annual!!!

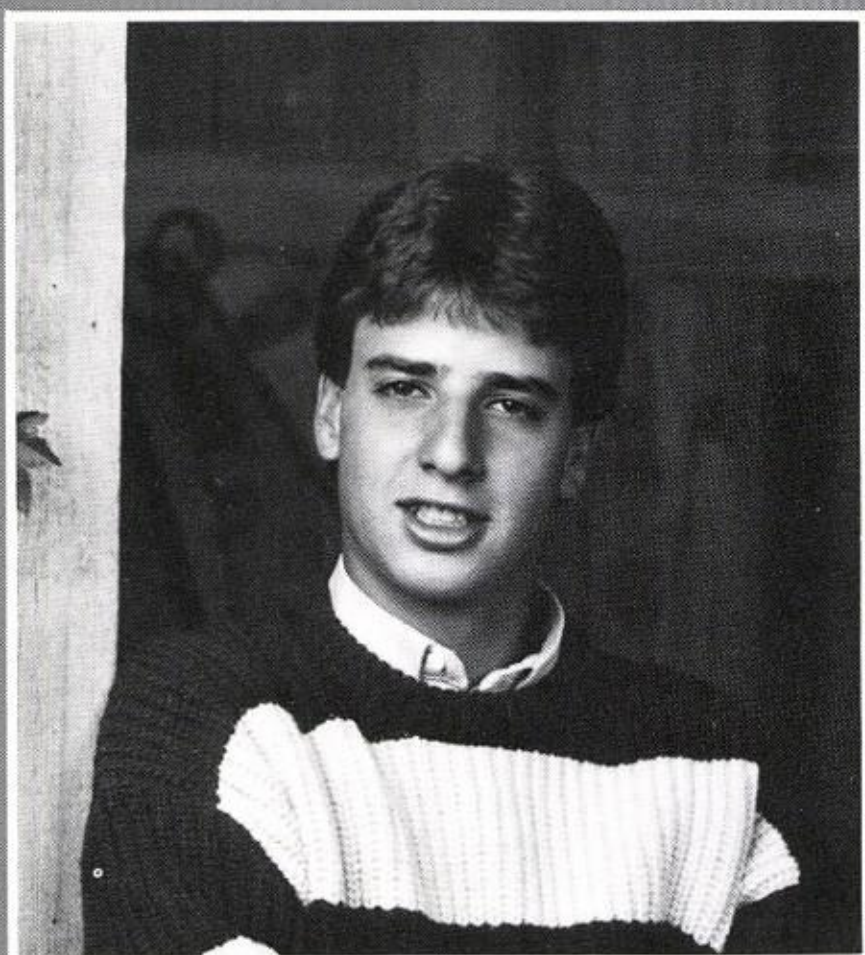

Christie,
It has been nice
having you in French
this year! I'm happy
for you that you get to
get out of L.V. -- it
is definitely the best decision.
I think you
are a very sweet, intelligent person
and always be that way! Take care
and good luck in your future
high school & college years!

Learning isn't easy ...
frustration tends to set in quickly.
You hurt.
You feel defeated.
You want to give up-
to quit.
You want to walk away
and pretend it doesn't
matter.
But you won't,
because you're not a loser-
you're a fighter ...
We all have to lose sometimes
before we can win,
we have to cry sometimes
before we can smile.
We have to hurt
before we can be strong.
But if you keep on working
and believing,
you'll have victory
in the end.

My friend it is time for us to part.
 For we cannot let life pass us by.
 Do not be hurt by the tears silently
 running down my face.
 Just always remember in my heart you
 cannot be replaced.
 As we seperatly begin our new lives-
 the three of us must bravely hold our
 heads high.
 For if we reach for the stars I truly
 believe we will
 at least reach star dust.
 Which is higher then most even dare to
 dream.

FOR THE CLASS OF 1987:

You Deserve The Best

A person will get only what he or she wants
You must choose your goals carefully
Know what you like
and what you do not like
Be critical about what you can do well
and what you cannot do well
Choose a career or lifestyle that interests you
and work hard to make it a success
Enter a relationship that is worthy of everything
you are physically and mentally
Be honest with people, help then if you can
but don't depend on anyone to make life easy
or happy for you
Only you can do that for yourself
Strive to achieve all that you like
Find happiness in everything you do
Love with your entire being
Make a triumph
of every aspect
of your life

-Susan Polis Schutz

School Days

The time you spent in school did you appreciate?

Or did you not know what good times were until they closed the gate.

You started off the very first day Kindergarten was great fun, when you got home in the afternoon and showed what you had done.

You climbed the ladder of learning making friends along the way. Some you remember from time to time, but others will slowly fade away.

You go to Junior High School thinking you are very smart. But things are so much harder to learn right from the very start.

And now you are in High School, the last day has arrived. They are handing out diplomas to those who have survived.

Some of you are through with school.

Some are a little blue.

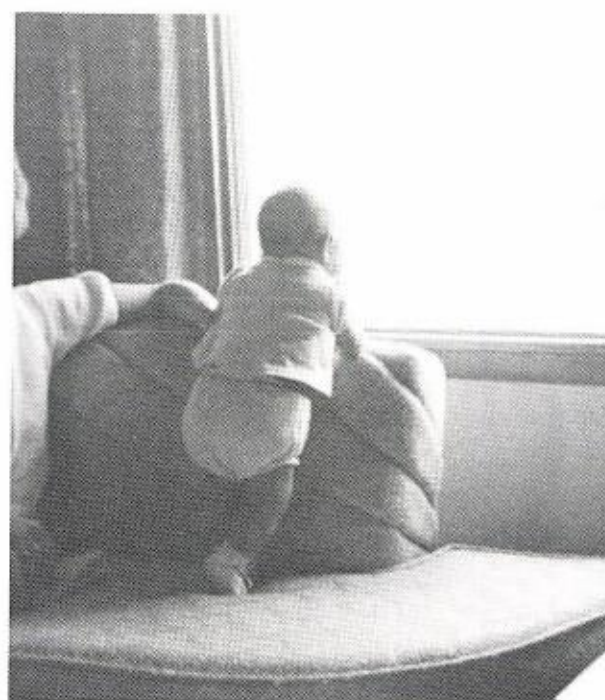

Some will say I've had enough of this.

Thank God I'm through with you

As time moves on and you look back and say school days were great, did you get it all or did you miss some.

No matter what, they've closed the gate.

Friendship

Regardless of whom I meet or what I do or what I have become, it is the friends I grew up with that I feel closest to and that I have the most in common. Though we may not see each other after in the years to come, it will be as though we were always together-so comfortably, so natural, so honest. I guess old friends who know where we came from, who know our backgrounds, who know our families have an understanding of us that no new friends can ever have.

God Bless all of You!

From lasting memories To future aspirations.

Dear Marni Moon, you keep the nights romantic; your lovable personality makes the day sunny & bright. Your blue eyes sparkle when you see us all happy. You are a doll!
Love you, Toni Mabel.

We're from the same shoot
The same family tree
Into this world we sprouted
Call it destiny

It's brother to sister
A special thing
And you've always been there
To laugh with me
Or even when I've cried

Anyway I think it's great
That you were meant to be
A part of my life, my sister
You'll Always be special to me.

Love, Bart Jr.

Your children are not your
children
They are the sons and daughters of
Life's
longing for itself.
They come through you but not
from you,
And though they are with you yet
they
belong not to you.
You may give them your love but
not
your thoughts,
For they have their own thoughts,
You may house their bodies but
not
their souls,
For their souls dwell in the house
of
tomorrow, which you cannot visit,
not
even in your dreams.
You may strive to be like them,
but
seek not to make them like you.

Who would have dreamed?

Second grade. Two frightened little girls starting a new school. The bell rings and two little hands grab each other's for safety. In you march-and you've been together side by side ever since!

We've watched you grow. We've watched you share: dog ears and tangles; piglets and kittens; the soccer "experience" (remember the State Championship and the champagne bath?); birthdays; halloweens; cotillion; softball; basketball; volleyball; skiing; movies; the 1st car; boys; secrets and dreams. We've seen the joy and the tears, the fights, hopes and fears. And we've seen a closeness that is rare and special.

We held each tightly in the airport as we watched you fly off together to Russia! You two have certainly had some adventures!

You've shared every part of yourselves with one another as only best friends do. Soon you'll be starting another new school.

Hold on tightly again; hold on to the love and the friendship for it is precious. Hold on to your memories and never stop talking to one another no matter time or distance, for no one will ever know you or allow you as you will each other.

Sharing these years with you has been a joy. Our lives are richer for having you to share them with. We each feel you are ours.

We Love You!
Non and Rachel

Dearest Denise,

You came to us as a gift; the person you were to become, a mystery.

We knew only to love you, and our love was of tainted by self needs and desires.

Yet, as you grew, the person you are emerged, ever more beautifully unique — kind, loving, joyful, caring.

And we have come to know God entrusted to us, for a time, a priceless treasure.

Our Love,

Mom, '57, Tom,
Jimmy '85 and Grandma

One book you shouldn't have to sweat over.

If you're working hard to make a decent GPA, you shouldn't have to work as hard to make ends meet.

A federally backed student loan from First Interstate Bank of Nevada can make things a lot easier.

We can arrange to loan you up to \$2,500 a year for your undergraduate studies. And up to \$5,000 for graduate studies. All loans are at very low interest rates.

While you're in school, the federal government will pay the interest on your loan. Once you graduate, you'll have up to ten years to repay your loan.

So stop in at any First Interstate Bank office for the full story and an application.

There's only one Nevada bank that grants student loans. First Interstate Bank. And last year, more than 4,500 students received federally backed student loans from us.

The way we see it, while you're in college, your checkbook should be the last book you should have to sweat over.

Live the life you want, Nevada!

FOREVER FRIENDS

I show you a smile for just being there.

Remember the times, The secrets we shared.

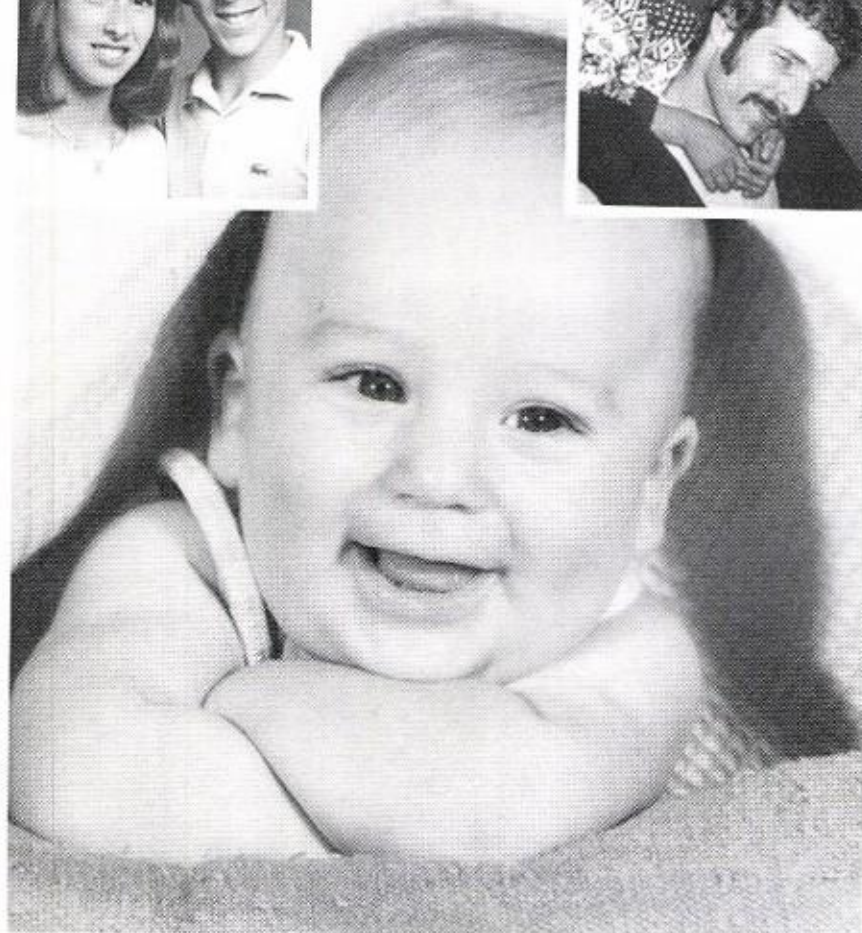

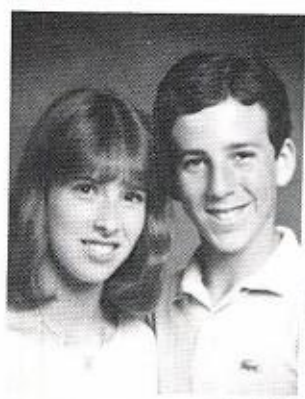

Remember the weekends, spending the night. Places to go to find "Mr. Right."

Shopping together, trying on clothes, It's all just a game, but nobody knows.

Best friends always, at least to me. Pals forever just you and me.

Shanny Lee,

Thank you for being the sister I never had, and the best friend I've ever had. We've shared so many jokes, tears, frustrations, failures, and victories. Thanks for being there. Good luck always and forever.

Love,
Shanny Lee

Thank you, so much, for being there, to listen, advise, understand and care. You're beyond the rest right down to the end. You're truly the best. Thank you, my friend. I couldn't have made it without you.

My dearest daughter,

May you always walk in sunshine and retain the ability to fare the rain with a smile. I am so very proud of you. You need only follow the true course of your heart, mind, and spirit; then will contentment and fulfillment be yours.

Congratulations Shannon

There have been times when I look in the mirror
 All these lies and my face getting clearer
 The past is gone.
 When I was young it seemed that life was so wonderful, a miracle, oh it was beautiful, magical
 But then they sent me away to teach me how to be
 sensible, logical, oh responsible, practice I never wondered.
 I didn't like school and I know I'm nobody's fool
 I had a dream but, they told me what to dream
 They made me trade my heros for ghosts
 Half my life was books written pages
 Living life with some fools and some sages
 And I thought I could tell heaven from hell
 Teachers leave us kids alone
 I wouldn't wonder
 Money it's the hit
 Don't give me that be a goody good bull
 Now, I'm in the hi-fidelity first class traveling set
 I think I'll by me a lear jet
 My Ferrari does 185
 I lost my liecence now I don't drive
 I go to parties sometimes til four
 It's hard to leave when you can't find the door
 Now I'm not trying to cause a big sensation
 I'm just talking about my generation
 Oh, and it makes me wonder.
 Knights in white satin, never reaching the end
 Letters are written never meaning to send
 Beauty I'd always missed with these eyes before
 Just what the truth is I can't say anymore
 All the lonely people where do they all come from
 All the lonely poeple where do they all belong
 There are times when all the worlds asleep
 The questions run so deep for such a simple man
 They all had something to tell me but I wouldn't listen
 It's all past us, It was in the plan, please now listen
 I wonder of those I knew.
 My sister was a tailor she sewed my new blue jeans
 My father was a gambling man down in New Orleans
 Her mind is tiffany twisted, she got a Mercedes Benz
 She got a lot of pretty pretty boys she calls friends
 He says what counts after all the votes have been taken
 And he'll talk from yesterday to forever and not admit he's mistaken
 Of the friends I had some I didn't know and some made me blue
 But I try not to think of them but my friends that were true
 Oh I get by with a littel help from my friends
 Sprinter, the foolish one, who always lent a hand

'The Kid' makes up his mind but only takes his stand
 Oh you innocent mole don't stay to long in your hole
 The commando is right outside, but what does he have heart or soul
 Man 'the hand' you don't have to fight inside, come out and play
 And now the Strobe is no longer on, let's see how long that will stay
 Oh I'm gonna try with a little help from my friends
 I've paid my dues time after time
 I've done my sentence but committed no crime
 And bad mistakes I've made a few
 I've had my shells and kicked in my face
 But I've come thru
 I've taken my bows my cut and calls
 You've brought me fame and fortune and everything that goes with it
 I thank you all
 But its been no bed of roses no pleasure cruise
 I consider it a challenge before the whole human race
 That I never lose
 Cause we conquered the world and more, heaven's door
 I wonder what to say.
 Hey Jude, don't make it bad take a sad song and make it better?
 Mothers tell your children not to do what I have done
 To spend your life in sinsere misery in the house of the rising sun?
 There are two paths you can go by but in the long run
 There is still time to change the road your on?
 Yesterday, love was such an easy game to play
 Now it looks as though its gone away
 Oh I believe in Yesterday
 In the streets the children screamed
 The lovers cried and the poets dreamed
 But not a word was spoken the church bells all were broken
 And the three men I'd admired most the father, the son, and the holy ghost
 They caught the last train for the coast
 The day the music died.
 Buddy your a young man, hard man
 Shouting in the streets, going to take on the world some day
 You got mud on your face your a big disgrace
 Waving your banners all over the place
 Singing we will, we will, rock you
 Now sing with me, sing for the year
 Sing for the laughter and sing for the tear
 Sing with me if it's just for today
 Cause maybe tomorrow the good lord will take you away
 And if you listen very hard
 The tune will come to you at last
 When all are one and one is all
 To be a rock and not to roll
 And only if you try,
 You can reach
 That stairway
 to the sky

The Archive Student Handbook fully describes the survival of a Gorman individual. It presents Gorman at its' best through the heat of competition and through the pursuit of academics. Just as the Gorman Student Handbook dictates student life at school, The Archive shows the freedom of the real Gorman individual.
